

Potential Festival Dates for 2009

We will be in Israel the week of March 22, 2009 inspecting the barley fields throughout the country. If there are sufficient amounts which are determined to be aviv and the new moon is visible in the evening of Friday March 28 after sunset, the following dates will apply for the Feasts of the 1st and 3rd months.

All times start at sunset of the previous day of the Gregorian Calendar.

First Day of the New Year: Saturday, March 28 ☐

Passover: Friday, April 10

☐ First Day of UB: Saturday, April 11 ☐

Wavesheaf Day: Sunday, April 12 – not a Holy Day but the start of the 7 week count to Pentecost

☐ Last Day of UB: Friday, April 17 ☐

Feast of Weeks Pentecost: Sunday, May 31

If the New Moon is sited on Sunday September 20 after sunset the following dates will apply for the Festivals of the 7 month.

Trumpets: Monday, September 21

☐ Atonement: Wednesday, September 30

☐ Feast of Tabernacles: Monday, October 5 thru Sunday, October 11

□ Last Great Day: Monday, October 12
