Your Royal Highness, our gracious Queen,

I felt that as Defender of the Faith and Head of the Church of England I should send to you a copy of the open letter today delivered to your Prime Minister at 10 Downing Street. We in the North West Church of God remember your coronation ceremony and the oath you took to maintain the laws of God in this land. We believe you have always valued the instructions of the Holy Bible you were then presented with “to keep your Majesty ever mindful of Law and the Gospel of God...” and so will recognise the reversal of those laws which is gradually taking place.

It is our hope and prayer that you will make known your faithfulness and adherence to those laws and to the oath you took so long ago, practically – firstly to your Prime Minister and then to the nation at large, that true Christians everywhere might take courage from your stand in the face of the many liberal protests and attacks upon the principles contained in the Bible.

We understand that the power of government lies with the Prime Minister but we do not underestimate the power and weight that still lies with the Lord’s Anointed to influence events, if it be your will.

No one else in this nation is in that position, and be assured that God’s eyes are always upon the throne of David His servant and that Jesus Christ will never fail you in His service.

Sincerely,

In Jesus Christ’s name,

Pastor, North West Church of God.
