

The Seeker

In this world there are those that accept, and those that seek, who are not as satisfied with life's regular fare. Materialism, football, drink or drugs fill the lives of huge numbers, but provide no real meaning or purpose for the seeker.

The emptiness of Western Churchianity has no real appeal and some have pursued Eastern religions or delved into the esoteric and arcane in the hope of finding life's meaning. UFO's, spiritualism, even witchcraft may be examined and in turn rejected, until, in desperation one day we are brought into contact with the Bible.

Only then if God chooses to open our minds, will we find that which is beyond our wildest dreams – a purpose almost beyond human perception, but which few ever find, “Because narrow is the gate and difficult is the way which leads to life, and there are few who find it.” Jesus Christ, Matthew 7:14

That way will never make sense to the proud or mighty but for those humble enough to ask for God's help to understand, the gate will open to a path which leads to real achievement, success and happiness in this life, and an eternal glorious future full of dynamic creative activity – almost the exact opposite of sitting on a cloud with harp and wings or endless pleasure in Paradise with seventy virgins !

Are you such a seeker ? Are you meek, but courageous ? Then open the gate and set off on the path that will lead you to the true meaning and purpose of life !
