

They Like To Scare You (Global Warming)

The United Nations plans to have massive new taxes imposed on all industrial countries in the name of the great global warming hoax. They hope to have Western nations hand over much of their independence to a one-world government - the UN, of course.

They have already succeeded in scaring a large proportion of the Western populations into believing their lies about global warming, when only a little research on the web reveals that since 1998 the earth has been cooling, not warming, and that there is no correlation at all between man-made CO2 and global temperatures. Swings in global temperature are natural and regular.

Fortunately a growing number of books are demolishing this swindle, which reminds me of the fairy tale about 'The Emperors New Clothes,' and I've just read the latest, "The Real Global Warming Disaster" by Christopher Booker - the Daily Telegraph columnist - it's brilliant and packed with insights!

It's sad to see religious leaders taken in by this wicked scam, because if they only believed the Bible they would know better, but as most of them have rejected the word of God it's hardly surprising.

For those who read the Bible, this swindle is blown out of the water by the Biblical information about life in the Kingdom of God, which Jesus Christ will establish on His return. The Bible clearly shows the earth (in the near future) as verdant, fertile and well watered.

Amos 9:13, Behold, the days come, saith the LORD, that the plowman shall overtake the reaper, and the treader of grapes him that soweth seed; and the mountains shall drop sweet wine, and all the hills shall melt.

Isaiah 30:23-25,

Then shall he give the rain of thy seed, that thou shalt sow the ground withal; and bread of the increase of the earth, and it shall be fat and plenteous: in that day shall thy cattle feed in large pastures. The oxen likewise and the young asses that ear the ground shall eat clean provender, which hath been winnowed with the shovel and with the fan. And there shall be upon every high mountain, and upon every high hill, rivers and streams of waters in the day of the great slaughter, when the towers fall.

Isaiah 35:1-2, 6-7.

The wilderness and the solitary place shall be glad for them; and the desert shall rejoice, and blossom as the rose. It shall blossom abundantly, and rejoice even with joy and singing: the glory of Lebanon shall be given unto it, the excellency of Carmel and Sharon, they shall see the glory of the LORD, and the excellency of our God.

Then shall the lame man leap as an hart, and the tongue of the dumb sing: for in the wilderness shall waters break out, and streams in the desert. And the parched ground shall become a pool, and the thirsty land springs of water: in the habitation of jackals, where each lay, shall be grass with reeds and rushes.

Those of us who are familiar with all the prophecies about the millennium rejoice in the wonderful vision which the Bible has provided about the world tomorrow, when 'global warming' will be remembered as a ridiculous end-time scam of power hungry one-worldist politicians!

Do your best to spread this news, for loss of our freedoms and the world's stability and prosperity are at stake and once again Satan must be laughing at the success of his deception (listen to our audio message on Political Correctness).
